The Security Challenges of Gas Stations

- **Frequent Crime:** Gas stations are often targeted for theft, vandalism, and loitering due to their 24/7 operations.
- **Multiple Vulnerable Areas:** Pumps, convenience stores, and cash registers are all potential targets.
- **Customer & Employee Safety:** Ensuring the safety of everyone on-site is critical to maintaining a positive reputation.

How SCT+ Addresses Car Gas Station Needs

SCT+ combines advanced AI and rugged hardware to secure gas stations against common threats.

Intelligent Vehicle Surveillance

Monitor suspicious activities at pumps, entrances, and around the store.

24/7 Remote Monitoring

Stay informed and in control, no matter where you are with smart alerts.

Durable, Portable Security Units

Deploy our rugged, solar-powered units for maximum coverage without the need for permanent installations.
