The Security Challenges of Healthcare Facilities

- **Sensitive Environments:** Protecting patients, medical equipment, and confidential information is crucial.
- **High Foot Traffic:** Hospitals and clinics have a high number of visitors, making monitoring essential for security and safety.
- **Emergency Situations:** Quick response is vital to ensure safety in emergency situations or during incidents of violence.

How SCT+ Addresses Healthcare Facility Needs

SCT+ provides intelligent surveillance and rugged hardware to meet the demanding needs of healthcare environments.

Comprehensive Patient and Staff Protection

Restrict access to designated areas, ensuring the safety of patients and staff.

24/7 Remote Monitoring

Stay informed and in control, no matter where you are with smart alerts.

Durable, Portable Security Units

Deploy our rugged, solar-powered units for maximum coverage without the need for permanent installations.
