The Security Challenges of Parking Lots

- **Frequent Incidents:** Parking lots are common locations for theft, vandalism, and other criminal activities.
- **Poor Lighting Conditions:** Inadequate lighting makes it difficult to monitor activity, especially at night.
- **Wide Coverage Area:** Large areas with multiple entrances and exits require comprehensive coverage for effective security.

How SCT+ Addresses Parking Lot Needs

SCT+ Solar AI Camera Trailers combine intelligent surveillance with mobile hardware to enhance the safety and security of parking lots.

AI-Driven Threat Detection

Detect and track people and vehicles, even in poorly lit conditions.

24/7 Remote Monitoring

Stay informed and in control, no matter where you are with smart alerts.

Solar-Powered, Portable Security

Deploy our rugged, solar-powered units for maximum coverage without the need for permanent installations.
